ECO Lighting Seminars

FREE Seminars on the **BENEFITS** of **ENERGY STAR** Lighting for:

- ✓ Home Builders
- ✓ Designers
- ✓ Sales People

Come find out how **ENERGY STAR** sets you above the rest as a builder that looks after the needs of their home buyers.

Some of the questions we will answer!

- ✓ What is the **ENERGY STAR** and how does it apply to New Home Lighting?
- ✓ How much energy and money will this save?
- ✓ What are **ENERGY STAR** Approved bulbs and fixtures?
- ✓ What kind of light do **Compact Fluorescents** emit and will they look different?
- ✓ Will this affect our home buyers and their budgets?
- ✓ What other concerns will New Home buyers have?
- ✓ Ongoing question and answer periods
- ✓ All attendees will be provided with sample **ENERGY STAR** bulbs to try in their homes.

We can hold the seminar either at our showroom (up to 30 people) or at your offices. Seminar is approximately 1.5 to 2 hrs in length.

Starting in January 2008		
Monday 9:00-10:30am	Wednesday 9:00-10:30am	Friday 9:00-10:30am 1:00-2:30pm
